

Private Dining – Private Chef

As and when Lock down starts to relax a bit more we will be looking to start our private dining offering again. This can be anything from dinner parties in your own home, Weddings at venues that allow outside catering or Marquees, BBQ's, cocktail parties and cooking experiencers and classes.

Menus are totally bespoke to your requirements, although we will need to take into account what space we have, number of people dining, seasonality of ingredients but nothing is impossible!!

Let us take over your kitchen for the evening and cater your special event so you get to spend time chatting and relaxing with your guests while knowing there will be no washing up after they have left!

We can bring glasses and cutlery, crockery, napkins and any other dinner party item you require.
Happy to do as much or as little to make your night as special as possible!

We can also cater larger events, having previously worked at a wedding venue, catering for up to 160 people. We also team up with S & K Hospitality for our larger events. www.sandkhospitality.com who we have known for many years.

Price wise, every event is bespoke and so please contact us for a quote. For guidance, dinner parties follow the same lines as our regular dinner menus, so 3 courses for £32. We do however require a minimum spend which will depend on what day of the week it is, Saturdays being higher than Tuesdays for example.
