

We have made a few changes to make your dining experience as safe as possible.

Please try to help us with these by reading what we've done and what you can do too.

Please try and stay at least 1 meter apart from other tables and guests, especially when arriving and leaving the restaurant. Please try not to queue outside the toilet.

We are trying to limit our time spent at each table, we'd love to take your jacket, or top up your wine but are conscious we all need to social distance where we can.

We have reduced the amount of staff working at one time due to the limited space we have available. Please try to bear with us as we are now a little busier despite having less tables.

We will ask for your name and contact number whether you have pre-booked or are a walk-in, in line with the Government track and trace system.

Tables and Chairs will be cleaned and sanitized between services as well as at the start and end of each day. All linen is single use and is cleaned and returned by County Linen, Chelmsford.

We can accommodate two households per table. Please do not move tables closer to each other.

Please be mindful and respectful of other guests around you, as well as patient with our staff while you dine.

All our staff will be wearing masks where possible. We are avoiding gloves and hand washing more regularly instead.

As we ask all our staff, please do not enter the restaurant if you are feeling unwell.

Please help yourself to as much hand sanitiser and hand soap as you like, as well as antiseptic wipes for all door handles and taps.

We are allowing fewer guests in our restaurant as well as increasing our cleaning schedule to maintain a clean and safe environment for you to dine in.

Finally, this menu is single use and will be thrown away after each use. We have menus available online and are using recycled paper where possible. If you require a copy of our risk assessment, please ask a member of staff.
